East Liverpool, Ohio 43920

**Re: MS4 Stormwater Permit Ordinances**

Dear Council Members,

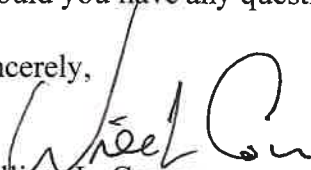

For your review, comment and eventually City Council consideration, accompanying this note please find three ordinances, each required as part of the City MS4 Stormwater Permit. The attachments are labeled DRAFT and as you can see, there is a large text box at the beginning of each ordinance. I left the text box on the DRAFT version to give you some insight and history of where the ordinances originated. When ready for Council approval, the text box will be deleted.

Ordinances included are:

- Erosion and Sediment Control 18 - Pages
- Model Ordinance for Comprehensive Stormwater Management 23 - Pages
- Illicit Discharge & Illegal Connection Control 8 - Pages

Should you have any questions, please contact me.

Sincerely,

  
William L. Cowan  
Director of Planning/City Engineer
